Holly Hughes : Frommer's 500 Places for Food and Wine Lovers before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's 500 Places for Food and Wine Lovers:

0 of 0 people found the following review helpful. Five StarsBy Sarah K DavyCan not put those books down2 of 2 people found the following review helpful. 500 place to seeBy JohnBBQWe are Frommer Fans so we liked this book. It was a little more worldly than we thought but there were some great ideas that made the book worth the investment to read and save for future travel connections.1 of 17 people found the following review helpful. 500 places for Food

and Wine Lovers By Robert The book is perhaps too long but not overly comprehensive. I have yet to look at all of it so any review at this time will be premature...

Coverage will be global, including food festivals, farmer's markets, cooking schools, street food, wineries, wine trails, and restaurant wine lists-as well as the world's best restaurants in several price ranges and categories throughout the world, including: Open-air markets, farms, culinary festivals, and street food
