Holly Hughes, Julie Duchaine : Frommer's 500 Places to See Before They Disappear before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's 500 Places to See Before They Disappear:

1 of 1 people found the following review helpful. The worst travel book I have ever purchased. By Joyce A. BruckI have traveled to all 7 continents and about 95-100 countries. I usually purchase 1 or 2 books to use as guides on each

trip. This book, though interesting, is of almost no value to me. The organization is all wrong. I do not pick a place and then go. I pick a country(s) and look to see what are the best things to see such as UNESCO sites or national parks. I tried to return it, but the cost was so high I just kept it. I recently saw another similar book that is organized by area. That would be my preference. 0 of 0 people found the following review helpful. 500 Places to see By OwlArrived quickly. Has some places that look like I would enjoy visiting. Some I had all ready thought of. Should be helpful for planning future travel. 0 of 0 people found the following review helpful. Great Book By alice janessal had bought the book for myself, but after receiving it, I decided to wait and give ti to my son and his wife as a present. Great travel ideas. The book is in excellent shape.

500 thoughtfully chosen treasures that will inspire and enlighten travelers of all ages This book enables passionate travelers and the eco-conscious to learn about and plan a visit to see rare cultural, historic, and natural places before they are irrevocably altered or even gone forever. Included are one-of-a-kind landscapes, fragile ecosystems, rare bird habitats, places to see the last remaining species of big game in the wild, cityscapes in peril, vanishing cultural kitsch, petroglyphs, and more. This Second Edition offers new reviews and updates on such topics as the Gulf Coast after the BP oil spill, the effects of earthquakes in Asia and Haiti, and improvements and progress in the fight to preserve threatened places.

.com 500 Places to See Before They Disappear enables passionate travelers and the eco-conscious to learn about and plan a visit to see rare cultural, historic, and natural places before they are irrevocably altered or even gone forever. Here are one-of-a-kind landscapes, fragile ecosystems, rare bird habitats, places to see the last remaining species of big game in the wild, cityscapes in peril, vanishing cultural kitsch, petroglyphs, and more 500 thoughtfully-chosen treasures that will inspire and enlighten travelers of all ages. Each entry explains why its been included, gives its history, the nature of the threat against it, brief practical information on how to visit, and what visitors can to do protect it. A Geographical Index allows travelers to locate attractions across the world. Photos throughout the book help bring destinations to life. Look inside some of the world's most endangered places (Click on images for more information) "...the first guidebook of 'last chance saloon' holidays...for travellers who want to visit the most endangered tourist destinations..."(The Observer, October 26th 2008) From the Back Cover A Celebration of the World's Most Fragile Wonders This guidebook leads you around the globe to visit cultural, historic, and natural treasures at risk from Red Routemaster buses in England and red-footed boobies in the Cayman Islands to Mount Kilimanjaro in Tanzania and the Pyramids of Giza in Egypt.
