Holly Hughes : Frommer's 500 Places to Take Your Kids Before They Grow Up before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frommer's 500 Places to Take Your Kids Before They Grow Up:

2 of 2 people found the following review helpful. Disappointing coming from Frommer's By Foxy I bought this because Frommer's usually has good guides and having 3 kids I thought this would be great. However, the

book is extremely disappointing. The book is organized via themes which is great if you are only looking to plan a trip around their proposed ideas; however, if you are traveling around and want to look things up as you go along it's the most massive headache ever! Moreover, while picking 500 places is hard it feels like some of the attractions were pulled from the touristy guides and not experienced by those with children. Examples - Blue Lagoon in Iceland was really not child friendly unlike MANY other pools in Iceland; for the Neuschwanstein Castle, while absolutely majestic, 6 is just a bit too young for an average kid. There is no way to take an unguided tour but the guided tour is a bit dry. 0 of 0 people found the following review helpful. Five Stars By Elizabeth Great book for finding new and unique places to travel! 0 of 0 people found the following review helpful. OK book, but should have been a great website By Customer Lots of great ideas and places here. No argument. But the real value would be an appendix that sorts the locations in different ways. Sure I like sports-related vacations or sightseeing. But what I really like is sports AND sightseeing. It would be great to have a list of all the ideas in, say, eastern USA or northern Europe, so you could actually plan a trip. Still, there are some great ideas and locations in here.

500 Places to Take Your Kids allows parents, grandparents, and kids to create a lifetime of shared memories while visiting destinations the whole family can enjoy. Here are cities, zoos, sports shrines, museums, castles, beaches, outdoor activities, and more 500 thoughtfully-chosen places that will enchant and beguile both the young and the young at heart. Each entry contains all the information families need to help plan a trip: age ratings, service details, and nearby kid-friendly hotels. A Specialty Index organized by type of trip helps families discover places and activities for all ages and interests, while a Geographical Index allows families to locate attractions across the world or simply across town. Photos throughout the book help bring destinations to life. Free companion podcast is available for download!

"a handy guidebook featuring all the must-sees around the globe that kids of all ages can appreciate, not to mention their parents as well." (New York Daily News, August 20, 2006) "there will be something here to inspire the adventurous spirit in most families." (Mail on Sunday, October 2006) "...you will have a richer knowledge of the world and of course you will enjoy your travels Go fetch now!" (The Big Buzz Magazine, October 2006) "It's the perfect gift for anyone who travels with children." (Spanish Magazine, October 2006) "includes some of the best-known sights in the Southern hemisphere" (Selling Long Haul, November 2006) "If ever there was a bible of worldwide must-see places for children to visit, this is it truly comprehensive" (Blackpool Gazette, November 2006) "packed with experiences the next generation of globe-trotters adore" (Wanderlust, November 2006) "brilliant, unusual ideas." (Primary Times, December 2006) "full of wonderful suggestions" (Families Thames Valley East, January 2007) "a life saving new book" (Club News, January 2007) "makes any trip possible, even with the kids in tow. It's the perfect book for anyone who travels with children and gives them 500 opportunities to say Are we there yet?" (Army Families Federation Journal, March 2007) "...not only does it showcase the very best destinations around the world for the family, it's aimed at the young and the young at heart." (ABTA Magazine, July 2007) "a truly fantastic guide, packed full of must-see destinations your kids will love." (Families South West Magazine, July 2007) "a guidebook for all ages." (Essentially America, Autumn 2007) fascinating guide of interesting places that will create a lifetime of memories while visiting destinations the whole family can enjoy. (Family Interest, March/April 2008) About the Author Holly Hughes has traveled the globe as an editor and writer she's the former executive editor of Fodor's Travel Publications, the series editor of Frommers Irreverent Guides, and author of Frommers New York City with Kids. She's also written fiction for middle graders and edits the annual Best Food Writing anthology. New York City makes a convenient jumping-off place for her travels with her three children and husband.
