Darwin Porter, Danforth Prince : Frommer's Bermuda 2009 (Frommer's Complete Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Bermuda 2009 (Frommer's Complete Guides):

the island (Feb. 2009) and found it very helpful. It would have been even more helpful, however, to have known in advance that many of the museums, exhibits and other attractions are not open to the public during the winter season and that others are open only on Wednesday. Overall, however, the book was great. 2 of 2 people found the following review helpful. not what I expected

I read reviews saying how up to date this book was. I cruised June 09 and prices were already \$4 off on some things. I wished the bus and ferry system were detailed more. Perhaps important things like the first ferry out of St. George was 10am and the last ferry back around 2:30pm. So you better sightsee quick or you'll be taking the "crazy" bus back. Bus stops are colored poles with no where to wait/sit/stand and the bus drivers are annoyed if they see you sitting across the street at a bench and cross over. More details would have been nice for segway tours. Very awesome and fun.
