It was perfect for the occasion thank you not very pretty, but they have plenty of use Very pleased with item and the exceptionally generous customer service I received. easy to use

Buenos Aires has long been known as one of the world's most beautiful cities, but in the past it was too expensive for many South American tourists. With the devaluation of the Argentine currency following the country's 2001 financial crisis, suddenly affordable prices and a blossoming of local culture has made the city one of the world's most popular and vibrant cities. Frommer's Buenos Aires Day by Day will guide readers through this new Buenos Aires, quickly and with an insider's knowledge of the one-of-a-kind experiences that lurk in the city's inviting neighborhoods. The book will be filled with tips and itinerary suggestions, like walking tours of historic San Telmo, the best places for tango lessons, and where to uncover the flourishing Argentine cuisine and fashions. With hundreds of original color photos, dozens of annotated maps, thematic tours for every taste and star-rated advice on where to eat, stay, shop, and have fun, this book is the perfect accompaniment to any visit to the city.

From the Back CoverAt last, a travel guide that tells you how to see the best of everything in the smartest, most time-efficient way. The best of Buenos Aires in one, two, or three days Thematic tours for every interest, schedule, and taste Hundreds of evocative photos Bulleted maps that show you how to go from place to place Hotels, restaurants, shopping, and nightlife for all budgets A tear-resistant foldout map enclosed in a handy plastic wallet you can also use for tickets and souvenirs Find travel news deals, expert advice, and connect with fellow travelers at
