Shane Christensen : Frommer's Dubai (Frommer's Complete Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Dubai (Frommer's Complete Guides):

0 of 0 people found the following review helpful. No photosBy Christopher HoenPhotos is a must in a travel guide. This travel guide has almost none. The text by itself is ok.2 of 3 people found the following review helpful. Just okBy Lauren A. RakvicThis book provided enough detail, but seemed to be a little disorganized. Also, maps are not good, as

we got lost trying to find the historic region. 3 of 3 people found the following review helpful. Maps not up to Frommer's standards
By Customer
The text and suggestions are actually pretty good, and benefit from the fact that attractions are rated (so you more easily tailor what you see based on how much time you have); the supporting maps, however, are a complete embarrassment: they're either insufficient (the one for Old Dubai/the souks is a complete joke and you can't rely on it to see what the text points to), or are completely wrong (for example attractions in Al Bastakiya, which should also have its own map, are in the wrong place!!). Totally shameful, and am sure the editor is no longer at Frommers.

Frommer's Dubai gives you the complete overview of insider knowledge on where and what to visit in the United Arab Emirates largest and most exciting city, all in meticulous detail to point you towards the best that Dubai has to offer. Packed with detailed, opinionated and honest reviews, this guide gives you the low-down on what's worth your time and what's not, providing extensive listings of accommodation, attractions and restaurants around Dubai whatever your budget. Area highlights are broken down into chapter sections with itineraries and accompanying maps to help you to plan the perfect trip, according to your timeframe. Inside you'll find the best restaurants serving seafood and extensively varied range of international cuisines; where to go to find museums and cultural sights; plus information on excursions from the capital Abu Dhabi to the Sharjah's recently restored old city as well as Arabian safaris. Importantly, this guide provides the latest trip-planning advice and money-saving tips, as well as a complete shopper's guide and directory of useful contacts to ensure you make the most of your stay in this spellbinding city.

From the Back Cover
Decorated slippers on display in a Dubai souk. See chapter 8. Detailed maps throughout
Exact prices, directions, opening hours, and other practical information
Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife
Itineraries, walking tours, and trip-planning ideas
Insider tips from local expert authors
