Nicholas Gill : Frommer's EasyGuide to Colombia (Easy Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's EasyGuide to Colombia (Easy Guides):

0 of 0 people found the following review helpful. The city maps are also basically useless: they don't show the neighborhoods defined in the ...By M. LoverdeThis book is hastily written and doesn't seem to have been properly edited. It's one thing to have typos, it's another to have inconsistent travel information in different parts of the book.

For instance, the majority of a suggested one week itinerary is spent in a national park that is revealed in chapter 6 to have been closed to visitors since 2013. The city maps are also basically useless: they don't show the neighborhoods defined in the chapters and have too few streets labeled to use them for directions. 0 of 0 people found the following review helpful. Great for a first visit By ChikoDid everything expected of it. Covered all of the major tourists sights. It was an enjoyable easy read. Chock full of good solid facts. 0 of 0 people found the following review helpful. ... Frommer's guide I have used - it was very easy to navigate By ERYanFirst Frommer's guide I have used - it was very easy to navigate, up to date, and interesting historical facts and background integrated with the sights text. Recommendations for places to stay and eat were spot on.

Frommer's guides aren't written by committee, or by travel writers who simply pop in briefly to a destination and then consider the job done. Frommer's authors Nicholas Gill and Caroline Lascom have been covering Colombia for over a decade and this book hits all the highlights, from the Amazon to the Andes. Gill and Lascom provide insights and detailed information so you can better explore the exquisite colonial core of Cartagena; enjoy the nightlife and museums of Bogota and Medellin; visit the coffee plantations of Zona Cafetera; trek through the Sierra Nevadas to see the country's famed Ciudad Perdida (Lost City); and more. Inside this Colombia guide you'll find: Exact pricing for all lodgings, attractions, adventure outfitters, restaurants, tours, and shops, so there won't be nasty surprises. Straight-shooting, opinionated reviews introducing you to the country's best beaches, rain-forest preserves, eco-lodges, restaurants, hotels, tours and attractions in all price ranges, from budget to luxury. Detailed maps throughout, plus a handy pullout map. Helpful suggested itineraries so you can make the most out of your vacation time.

About the Author Writer and photographer Nicholas Gill is based in Lima, Peru and Brooklyn, New York. He travels extensively throughout Latin America and his work appears in publications such as the New York Times, Wall Street Journal, Bon Appetit, Draft, Saveur, New York Magazine, and Roads Kingdoms. Travel writer/editor Caroline Lascom has spent over a decade living, working, and traveling in Latin America. She has written and contributed to more than 25 guidebooks for market leading publishers in the US and UK and is a regular contributor to travel websites, blogs, and print publications. As well as being the co-author of Frommer's Colombia (2016), Caroline has also penned chapters for Frommer's Chile. She is based in Chicago.
