Nicholas Gill : Frommer's EasyGuide to Lima, Cusco and Machu Picchu (Easy Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's EasyGuide to Lima, Cusco and Machu Picchu (Easy Guides):

22 of 23 people found the following review helpful. I found it super handy not to carry a book for places I ...By

Minnie Mouse This guide has all the 3 places I visited in Peru. I found it super handy not to carry a book for places I wasn't going to visit. This guide has the right amount of information for me. Not too detailed. The restaurant suggestions were right on, found a few really good places in Cusco to eat thanks to this guide. I'd highly recommend it to people who'd only be traveling to Lima, Cusco and Machu Picchu. 4 of 4 people found the following review helpful. Be sure to check the venue's operating hours

By Rice Krispies Some of the published operating hours were inaccurate. We missed out one museum in Cusco because it closed earlier than stated in the book. Other than that, we enjoyed using the guide, eating at a few of recommended restaurants in Cusco near the Plaza. We only had one night in Lima so I cannot say much about that portion of the guide. 1 of 1 people found the following review helpful. Pages could be pre-cut for extra-light traveling

By Gemma I paired this guide with the Lonely Planet Peru guide for Kindle (which was free) for trip planning, though I still took this one on the trip. It had excellent explanations on how to do the trip on the cheap side. Knowing I was going to hike up Machu Picchu on a hot day and that I was going to bring a small Camelbak with me, made every inch of portable real-estate matter, so I just cut out the relevant pages of this guide to carry with me. In the age of "light packing/light traveling," my only suggestion is to make the individual pages pre-cut along the edge for easy detaching.

Frommers books aren't written by committee, or by travel writers who simply pop in briefly to a destination and then consider the job done. Frommers author Nicholas Gill has been covering Peru for over a decade and this book hits all the highlights, from iconic Machu Picchu to Lima's vibrant dining scene. He's checked out all of the country's best hotels and restaurants in person, and offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget, whether you're a backpacker or on a splashy honeymoon. Most importantly, he's not shy about telling readers what to see, and what they can skip without regret. The book includes a fold-out map, plus detailed maps throughout the guide, exact pricing, opening hours, and other important details that will make your trip smoother and less hectic. It features smartly conceived itineraries for travelers of varying types, along with savvy, sometimes sneaky, tips for saving money in ALL price ranges, whether you need to pinch pennies or are able to splash out a bit. This book has it all from budget to luxury and everything in between.

About the Author Writer and photographer Nicholas Gill is based in Lima, Peru and Brooklyn, New York. He travels extensively throughout Latin America and his work appears in publications such as the New York Times, Wall Street Journal, Bon Apptit, Draft, Saveur, New York Magazine, and Roads Kingdoms.
