As there are not a lot of travel guides for Fiji it will come in handy. 0 of 0 people found the following review helpful. One Star By Stephanie hibbitt Book is good but old 4 of 5 people found the following review helpful. Disappointed By Mari I

was disappointed to see that this was a 5 year old book, the copyright was 2008. I bought it because the description said the publication date was August 31, 2010. There are so many changes in the travel industry and management of resorts that I don't trust the reviews. Furthermore, the book has Hindsdale Public Libray, Hindsdale, IL stamped all over it. Makes me wonder if the library put it on the one dollar book clearance rack or if someone stole it. It's no use to me.
