Good for travelBy slimVery small and compact book so it didn't take up much space in the suitcase.Had very useful phrases including some slang and commonly used profanity, for those "special" occasions.0 of 0 people found the following review helpful. Trust Me...By Michael StephensThis is an excellent phrase book...the best I've found. I discovered it in a bargain-surplus store and snatched it up after I saw how helpful it is and the cheap price. Recently I accidentally washed it in the laundry, but I am ordering it to keep my learning going. Oh yeah, this is perfect for travel! But as you can tell, it's great just to have around, if you love French that much.
