I can't even tell you how often I referenced it both before I went and while we were there. Such good value and so easy to use. Jam packed with great advice.0 of 1 people found the following review helpful. Awesome Hand Guide for all Visitors; New and Experienced!By Miss KrisI absolutely love this travel series! These pocket guides are awesome, it gives you everything in a quick look-up format, and the book is JUST big enough. It gives you hours for museums and activities, and also websites to order tickets and such. I used the Copenhagen Day by Day guide on my recent trip to Danmark, and had an AMAZING experience with it's help! When I came home, I knew I wanted to get the New York City version, because I just loved the little exciting finds you get in these books. I live 20 mins away from the City, and go often, and this book is just a great trip planner/ idea finder for me and my friends every time. I highly suggest getting a different, clearer subway map though if you are a new traveler to the East Coast, the one in this book isn't so great, but the rest of the book, I give it a 4 stars! Also, do NOT be discouraged by the Star system, the author rates things very harshly, so do as much as you can! Also, from a NJ resident to our visitors, Welcome and have an amazing time!! (P.s come visit NJ ;) cause we're so awesome :D)
