**Ethan Wolff : Frommer's NYC Free Dirt Cheap (Frommer's Free Dirt Cheap)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's NYC Free Dirt Cheap (Frommer's Free Dirt Cheap):

1 of 1 people found the following review helpful. Wonderful. Buy it if you plan a trip to NYCBy Diana L. StevensWe visit our son in Queens several times a year. With this books we did lots of new things and saved money. The write

ups are accurate and easy to follow. The out of the way things were so interesting. I can't say enough good things about this book. Next time we go to NYC, we will use this book to explore another borough. 58 of 59 people found the following review helpful. Indispensable. By mary\_1979 In planning for my first trip to NYC, I was faced with a veritable wall of guide books to pick from at my local library. Because I like to look for the offbeat when travelling, and because, well, I'm poor (hence, the library), this one caught my eye right away. It had me at hello (or, more accurately, the introduction entitled "The Best Things In Life Are Free"). Wolff's prose has the perfect blend of knowledge and wit to really make the places he's writing about come alive, with solid historical insights where applicable (the sections on Coney Island were quick but fun reads, quite informative for a newbie like me) and plenty of reference materials to help you plan out your days (maps, addresses, phone numbers, hours of operation, etc.). Especially handy are the subway map and free events calendars printed on the inside front/back covers--efficient and helpful on the go. I knew the real test would come when my host in Brooklyn took a look at it--she's studying museum education and having lived there her whole life, knows many of the nooks crannies around town. When I started showing her the listings about places like the Forbes Galleries, the original Winnie the Pooh housed at the NY Public Library, and panorama of NYC at the Queens Museum of Art (all free or very cheap), her eyes lit up. And I knew we had a winner on our hands. If it could impress a city slicker like her, no wonder it had impressed a hayseed like me. If you're looking for a book that can take you off the beaten tourist track, or even if you live in NYC and are looking for some fresh ideas for cheap entertainment, I really can't recommend this highly enough. Good tips, great resource, and a fun read. 1 of 1 people found the following review helpful. Wonderful book. I only wish I had enough time to actually DO everything listed in this book. Better for locals. By An Customer Wonderful book. I only wish I had enough time to actually DO everything listed in this book. There is a handy chart at the front showing items by day of the week. This book makes more sense if you actually live in or near New York than if you are just visiting for a few days as many of the entertainment freebies and/or discounts are only once a month or once a week and casual visitors might not be able to attend due to timing.

Frommer's NYC Free Dirt Cheap Get accommodations for free using couch-surfing websites or enjoy dirt cheap stays at some unexpectedly posh hotels Delicious meals, plenty under \$5, in all the major neighborhoods Free attractions, including museums with free hours The best bars for happy hours, bars with free food, and BYO restaurants Free music clubs and performances, plus discounted Broadway tickets Affordable itineraries, from downtown to Coney Island Tips on affordable local living, including where to find free yoga classes, free art classes, free swimming pools, free therapy sessions, free TV tapings, and much more

From the Back Cover Take a bite out of the Big Apple not your budget! Free Music: Classical music, jazz quartets, and cutting-edge bands. Free Speech: A-list plays, quick-witted comedy, and readings. Free Food: The best happy hours, plus where to score delectable dirt-cheap eats from burgers to buffets to pre-theater Peruvian. Free Films: Outdoors and indoors, from indies to cult faves. Free Classes: Take a morning tai chi class, learn to identify a good cabernet, or find out how to start your own business. Free (or Almost) Accommodations: Apartment rentals, couch-surfing, and low-cost (yet surprisingly posh!) hotels. "In the land of \$49 burgers and \$1,000-a-night hotel rooms, author Ethan Wolff shows that the adventurous budget traveler can still do the Big Apple in style. Written for residents as well as visitors, this guide has plenty of good clear maps and a chapter of free and cheap itineraries." San Francisco Chronicle "Great info . . . This irreverent insider's guide gets points for flagging overrated attractions." The Washington Post "[Makes] one of the most expensive cities in the world accessible to those of us with champagne tastes and beer budgets." Chicago Tribune About the Author Ethan Wolff left Virginia 10 years ago to take advantage of Manhattan's low, low cost of living. He now lives in the heart of the Bargain District, on the Lower East Side. Ethan is also the author of Frommer's Irreverent Guide to Manhattan, 5th Edition.
