Louise Simpson, Robin Gauldie : Frommer's Provence and Cote d'Azur With Your Family (Frommers With Your Family Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Provence and Cote d'Azur With Your Family (Frommers With Your Family Series):

0 of 0 people found the following review helpful. Cute but out of date already
By J. Winn
We took this to France last year, and while a lot of it was helpful, several things we picked out to go and see no longer existed or had changed or were gone.
1 of 1 people found the following review helpful. Very Highly Recommended!
By K.R.S.
This is an absolutely wonderful and comprehensive family guide book to the French Riviera and Provence! I have been living in Southern France for 13 years, and have two small children. I also own the previous edition of this book, and have found them both extremely useful! This book is a great, easy-to-read reference, full of creative ideas for family outings, practical travel information, and many valuable insider tips. You will even find some tasty local recipes! I love the personal style of writing, and have found the book to be a great value! I highly recommend this book, for both locals and tourist! You will be happy you have it with you while you are on the Cote d'Azur!
0 of 0 people found the following review helpful. Essential read before a family trip to the South of France
By Z de MCT
This is a fantastic travel book and an essential read for a family holiday in the South of France. It is clever, interesting, and full of useful details, obviously written by a mum who has knowledge of what traveling with small children entails. I definitely felt like the author has personally visited and enjoyed all of her recommendations, and her insight personal touch makes this book feel more like a chat with an unusually helpful friend than a travel book written by a professional author.
Thank you, Ms Simpson!
