Stephen Brewer : Frommer's Venice Day by Day (Frommer's Day by Day - Pocket) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Venice Day by Day (Frommer's Day by

Day - Pocket):

9 of 9 people found the following review helpful. perfect travel guide for short trips
By Michael Weis
We do a lot of traveling, and one of the biggest problems is the weight of guidebooks. It's one thing to spend a long time in one major site, like London or Paris. A "normal" guidebook has enough detail to help, even if you've been there before and are down to "level four" sites, and the weight of one book isn't really a problem. But, when you're visiting multiple locations, each for a short period of time, you can't really carry a complete book for each stop without needing a porter to help with your luggage. So, when a friend who had been to Prague gave us his Prague Day by Day, we were sold and went out and purchased one for Vienna and Venice too. While this series helps a lot in planning which sites to see on a short trip; has the basic info on transport, currency, power, etc; and includes the essential map - it's small enough to carry several and weigh no more than one full-sized book.

By Mike Tallarico
We love traveling with these books as they get you through your trips stress free with clear instructions as what to do based on your travel preference. Plus you can't beat the price.
0 of 0 people found the following review helpful. Frommer's Venice Guide Book
By Techno Guy
This is what I expect in a travel guide book. It tells you where to go given the length of your stay. The book contains a useful map as well as hints on where to go and what to see and how much things cost. I especially like tips on where to purchase tickets to avoid long lines, etc.

Features: Byzantine Venice, Great Palazzi of Venice, Venice's Most Photogenic Ponti, and more
Venice Day by Day is the perfect answer for travelers who want to know the best places to visit and the best way to see the city. This attractively priced, four-color guide offers dozens of itineraries that show you how to see the best of Venice in a short time--with bulleted maps that lead the way from sight to sight. Featuring a full range of thematic and neighborhood tours, plus dining, lodging, shopping, nightlife, and practical visitor info, Venice Day by Day is the only guide that helps travelers organize their time to get the most out of a trip. Inside this book you'll find: Full color throughout with hundreds of photos and dozens of maps
Sample one- to three-day itineraries that include Venice's Grand Canal, Venice's Best Churches, Places to Escape the Crowds, side trips to Padua and Verona, and more
Star ratings for all hotels, restaurants, and attractions
clue readers in on great finds and values
Tear-resistant foldout map in a handy, reclosable plastic wallet
Foldout front cover, with at-a-glance maps and quick-reference info

"...Point-by-point walks ... offer structure ... while the 'best' sections ... make choosing a place to eat ... far easier ... original and insightful..." (PR Week, March 2006)"...does an excellent job of filleting down the key sights - and provides useful maps... represents excellent value." (Mail on Sunday, February 2006)"...perfect for travellers on a long weekend ... offers a range of smart ways to see each city..." (Scottish Daily Record, March 2006)"...each one is full of useful information to help you make the most of your visit...don't go away without them!" (For The Bride, April 2006)"...Frommer's produce travel guides for every kind of traveller, from students travelling on a tight budget to the luxurious round-the-world traveller..." (Uptown Magazine, April 2006)"this pocket-sized tome is in fact a rather welcome addition to the genre. Where so many guides fail by being hopelessly difficult to navigate, weighed down by extraneous background material and drably produced, this is bright, breezy and easy to use. It is colour-coded throughout, split up into logical sections and intelligently laid out with a detachable map. For those on a weekend break looking for a compact guide to the city this is among the very best available." (Italian, April 2006)
From the Back Cover

About the Author
Stephen Brewer stepped off a train in Venice many years ago, took one look at the Grand Canal, and decided he agreed with Marcel Proust in thinking When I went to Venice, my dream became my address. He enjoys many other beautiful places, too, and often writes about them. He is the coauthor of Frommer's Best Day Trips from London and The Unofficial Guide to England and the forthcoming Unofficial Guide to Ireland, both published by Wiley, as well as other books and magazine articles.
