We will take all these Books with us, Especially the UNOFFICIAL GUIDE. ALL HELPED BUT WE FOUND THIS ONE THE BEST FOR US. The Disney Parks are Huge and without some type of itenerary, Disney Termonology your everyday person is lost. I would not want to spend as much money as Disney demands and not have all the possible knowledge that these Books Provide. These Books explain the WDW Resort Perks, DDR's, DAH. and provide a wealth of knowledge about the parks, transportation, Rides, Attractions, Dining, etc.1 of 1 people found the following review helpful. Not Outdated and Very HelpfulBy VanceI was just there and this book was very helpful. Out-dated? How. It led me to the best attractions at both Disney and Universal, as well as some decent restaurants on Sand Lake Road and International Blvd.
