Doris Kennedy : Fun with the Family Colorado, 5th (Fun with the Family Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun with the Family Colorado, 5th (Fun with the Family Series):

24 of 24 people found the following review helpful. The perfect guide for families vacationing in ColoradoBy A CustomerI checked out several books from the library, and found myself constantly referring back to this book. I am planning a family vacation for 12 adults and 15 children, and this book has been the one book that I would say was indispensable! Of all the books that I've used, the feature that this book has that none of the others have is that for

everything possible, the prices for adults, seniors, children, and infants is included, along with what each attraction or park defines those categories (ages) to be. So, except for price increases that Ms. Kennedy couldn't know about, you have a close approximation to how much money you will be spending to do what you want to do. Also, the hours and phone numbers are included in nearly every case. I couldn't recommend this book highly enough! I ordered it from so that I would be able to take it with me!^{2 of 2} people found the following review helpful. great resourceBy CustomerI live in Colorado and keep this book handy for planning vacations, family field trips, and weekend getaways. I appreciate that the author includes information on local parks, places to see, and things to do with kids that wouldn't necessarily be included in other travel guides.

Swing into the saddle and take in the Wild West view, see the world's largest Christmas Lighting Display, or visit the World Figure Skating Museum and Hall of Fame--just a few of hundreds of suggestions on how to enjoy Colorado as a family.

From the Back CoverHere's the inside information on all the family-friendly fun to be had in the Centennial State. Fun with the Family Colorado leads the way to museums, thrill rides, zoos, parks, hiking trails, ski slopes and much more. Written by a parent for parents, this opinionated, personal, and easy-to-use guide has the best things to see and do to keep the kids busy and happy for an hour, a day, or a weekend - a guaranteed antidote to vacation boredom. This guide includes current information on family attractions, quick reference icons, regional maps, age-appropriate guidelines, kid-friendly restaurants and places to stay.
