Doe Boyle : Fun with the Family Connecticut, 7th: Hundreds of Ideas for Day Trips with the Kids (Fun with the Family Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun with the Family Connecticut, 7th: Hundreds of Ideas for Day Trips with the Kids (Fun with the Family Series):

0 of 0 people found the following review helpful. and how educational or fun a place will beBy Barbara AyalaWhat a resource! This book is so well detailed - it tells me what ages the attractions are for, what is available for kids to do at each place; and how educational or fun a place will be. It gives information on parking and costs, too. I just moved to CT to be near my grandkids- and this book has helpful hints about how to get around- including what alternate road to take if there is traffic. This is the best guide book I have ever seen. Even if you don't have kids it is great for adults as well as it has museum information (not just the hours and location, but actual reviews of content) I have shown it to CT residents and they find new information about places they did not know. Thank You, authors.0 of 0 people found the following review helpful. Go Ahead and Get ItBy Wendy LevinsBeing a new mom, this book is a must have. Already, many pages are 'ear marked.' We look forward to our next CT adventure!0 of 0 people found the following review helpful. Five StarsBy AllisonGreat family friendly adventures.

Featuring many options for outings in Connecticut, this guide tells families where they can ride a vintage steam train, make plaster casts of dinosaur tracks, and pick fruit from the state's many orchards.

"Erase those lingering doubts about where to go, what to see, and where to eat and sleep. . . . [This book] has all of the references you need and then some."--The Hartford Courant (Connecticut)
