Bonnie Merrill : Fun with the Family in Maine: Hundreds of Ideas for Day Trips with the Kids (Fun with the Family Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun with the Family in Maine: Hundreds of Ideas for Day Trips with the Kids (Fun with the Family Series):

2 of 3 people found the following review helpful. A must read for families
By Mary Spidaliere
Fun with the Family in Maine is a comprehensive guide for activities and fun destinations for kids. Our family has already used the guide several times on our excursions to Maine and all of the tips we took from the book have been a big hit with all 5 of our kids. It helps immensely that the author is a parent of young children and that she adds her own personal experiences with some of the destinations. This is a fun-filled and very well written travel book that I would highly recommend to anyone who plans a trip to Maine!!

This Fun with the Family guide to Maine provides easy-to-use and up-to-date information on how to enjoy short term trips with children (ages 2-12). Including places to eat, to stay, as well as "Other Things to See and Do" with the kids.

Praise for a previous edition: "Tailor-made for busy parents ... Merrill's guide is kid-focused and full of useful information for car travelers."--Maine Times (Brewer, Me.)
