4 of 4 people found the following review helpful. A Must Have For ParentsBy John P. SchnitzlerThis book outpaces

many other day trip and travel guides in that it also recommends accommodations in each area, which is key when traveling with children. The book is well designed inside and out and is destined to become a favorite in any household fond of piling in the car for adventures. Maine is a fabulous state to explore and this book is a terrific guide for anyone looking for a hike, a mountain, a lake, a place, a scenic drive and many activities of varying duration.

Travelers to Maine will find fishing villages, centuries-old forts, museums, parks, shopping and more with this guide.

"Tailor-made for busy parents . . . Merrill's guide is kid-focused and full of useful information for care travelers."--
