Andy Nisbet, Allen Fyffe, Simon Richardson, Wilson Moir, John Lyall : The Cairngorms: Scottish Mountaineering Club Climbers' Guide before purchasing it in order to gage whether or not it would be worth my

time, and all praised The Cairngorms: Scottish Mountaineering Club Climbers' Guide:

"Rock and ice Climbers' Guidebook to The Cairngorms area of Scotland" - a definitive climbing guidebook from the Scottish Mountaineering Council. "The Cairngorms" all in one volume. This, the next in the SMC's brand new series of "Climbers' Guides", covers all the summer and winter climbing in the northern and southern Cairngorms area. This title includes a number of the most popular and well-known climbing areas in the country. It is fully comprehensive and up to date, covering both summer and winter climbs. It contains much new and updated information. It features full colour throughout with photo-diagrams and action pictures. It is written by climbers with an in-depth knowledge of the area. It is user friendly in a successful and well presented format. It contains a page marker ribbon to ease the location of climbs. It covers the massive Cairngorms area in one guidebook. This title is written by a number of authors and previous guidebook writers who are mountain guides and leading activists sharing their expert knowledge of the area.
