By brandon4791 As a military brat I spent most of my childhood growing up in Germany and the Neuschwanstein is arguably one of the most beautiful buildings in the Western Hemisphere and this book has beautiful photos and a well detailed history of a very interesting and perhaps misunderstood royal

By Gamecrazy The book has some wonderful pictures and information about King Ludwig. Honestly I think the exterior of the castle is much prettier than the inside, which is way to ornate. Beautiful painting though. There one room in the grotto was quite interesting though.
