Nadia Oehlsen : The Cheap Bastard's Guide to Chicago: Secrets of Living the Good Life--For Free! before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cheap Bastard's Guide to Chicago: Secrets of Living the Good Life--For Free!:

0 of 0 people found the following review helpful. Great resource book.By Kyle WilliamA friend gifted me a copy of The Cheap Bastard's Guide to Chicago.Great book that will provide plenty of things to see/do. I used while attending

college in Chicago. Unfortunately, the internet is probably a better resource to find up to date inexpensive entertainment in Chicago. 0 of 0 people found the following review helpful. VIEWS TO A MOVE! By R. Burns Relocation and subsequent severance from employment has left two Michiganders stranded in Iowa. Contemplating our next move, hopefully closer to family and friends in the Great Lakes State, we find ourselves contemplating the city of Chicago and its suburbs. The Cheap Bastard's Guide to Chicago offers a fairly recent (2007) assessment of life in the big city and one's ability to afford it, even in this down-turned economy. Lively descriptions and what appears to be clear directions to locations make up the "meat" of the book. I think it will be valuable in helping our move. I highly recommend it! 7 of 13 people found the following review helpful. Beware By Michael Kelley I suppose the title gives it away, but I was unaware how much of a CHEAP BASTARD one has to be to find this book useful. This is NOT a book that gives you clever ways to cut corners. Instead, it assumes that you are in absolute poverty. Make sure you examine how much of a Cheap Bastard you really are before spending \$15 that the book assumes you don't have.

A clever and witty guide to finding free or ridiculously cheap goods and services of all kinds throughout Chicago.
