Seattle nine months ago after having come here for vacation the year before. I'm still learning my way around the city and now with this book can do more for less money. Food, drink, fun...it's all in here. 2 of 2 people found the following review helpful. I prefer the interwebz By MM Save your pennies and don't buy this book - just use the magic of the interwebz to find out the same stuff: Yelp, Craigslist, friends, museum websites, freecycle. By the time I got the book it was already outdated. And now I'm out, like, 5 bucks. 0 of 0 people found the following review helpful. Five Stars By Sandy Had fun reading this and it was extremely helpful!

Seattle is full of free and ridiculously cheap stuff one just needs to know where to look. Leave it to The Cheap Bastard to uncover all the ins and outs and exclusive bargains to be had, and to set forth the real deal with wit and humor.
