Thank you so very much!0 of 0 people found the following review helpful. Five StarsBy B MacA Wasatch classic.1 of 1 people found the following review helpful. Good informationBy R. L. StolzGood information in an easily accessible format. This book does a good job of covering chute skiing in the Wasatch. It will get you pointed in the right direction, especially for the more popular descents.

The Chuting Gallery - A Guide to Steep Skiing in the Wasatch Mountains, details 100 of the best and most challenging descents in Utah's famous backcountry. It provides route descriptions, maps photographs and ratings to help you make the most out of a quick visit, or create a hit-list for the season.
