Lonely Planet : The Cities Book Mini: A Journey Through the Best Cities in the World (Lonely Planet) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cities Book Mini: A Journey Through the Best Cities in the World (Lonely Planet):

1 of 1 people found the following review helpful. Cute little book packed with lots of interesting city highlights By Global Traveler I first borrowed this from my local library and what a surprise. The most well known, popular and interesting cities are in this book and will get you to thinking about where you might just want to travel next time. I also own the lonely planet "The Travel Book" which is similar but highlight every country in the world. So, this cities book will get more use when I just want to glance at any given city of interest for just some basic information without getting online. Not sure why other reviewers had issues, but so far none from me. 2 of 2 people found the following review helpful. Just o.k. By Gary Roberts I bought this book without seeing it in a retail bricks and mortar bookstore so I was a little disappointed. It's o.k. Tends to concentrate much more on the out of the way spots of the world. Not a great resource if you're into the more run of the mill places to visit. 0 of 0 people found the following review helpful. Pages are falling out By ECLI love the book but pages have come loose From the binding. The book has been handled Gently.

Lonely Planet: The world's leading travel guide publisher* A journey through the best cities in the world. This mini edition transforms Lonely Planet's bestselling The Cities Book from essential coffee-table tome to constant bedside companion. The full-colour edition highlights the clamour and throng of our favourite urban landscapes. Filled with breathtaking photography, perfect for the armchair traveller. Includes: 200 of the world's most exciting cities, ranked in order by Lonely Planet staff, authors and readers The best places to eat and drink Each city's strengths and weaknesses Hot conversation topics and urban myths Authors : Written and researched by Lonely Planet. About Lonely Planet : Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places where they travel. TripAdvisor Travellers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) *#1 in the world market share - source: Nielsen Bookscan. Australia, UK and USA. March 2012-January 2013
