Mr. M. John Fayhee : The Colorado Mountain Companion: A Potpourri of Useful Miscellany from the Highest Parts of the Highest State (The Pruett Series) before purchasing it in order to gage whether or not it would be

worth my time, and all praised *The Colorado Mountain Companion: A Potpourri of Useful Miscellany from the Highest Parts of the Highest State (The Pruett Series)*:

1 of 1 people found the following review helpful. Fun facts in a great book. By authorsandy This book is full of Colorado facts, many of them clarifying old misconceptions. It is a wonderful addition to my reference shelf. I think all Colorado residents should keep a copy handy. 0 of 1 people found the following review helpful. Fascinating for Colorado folks. By Fred RA book loaded with information about the CO mountains and mountain towns. Much of the type is pretty small for us old folks, but it is still very readable. 0 of 1 people found the following review helpful. *Colorado Mountain Companion (The Pruett Series)* By SSI gave this book as a gift but the person that received it really likes it and wants to get more by the same author

A treasure trove of useful (and just plain fun) information about Colorado's mountain country. A handy-dandy, comprehensive, wide-ranging reference guide to settling (good-naturedly) any arguments about Colorado's high country. Were not just talking about population figures, elevation stats, or lists of Fourteeners and rivers, although these are included. You will learn far more including mountain lexicons (so that you'll know what a gutter bunny, potato chip, and prune really mean), Colorado as a movie set, Colorado songs, skiing, fishing, avalanches, geology, historic districts, hiking and biking, snakes, Superfund sites, strange festivals, weather miserability index, and much more.

With his signature wit and inimitable style, Fayhee lays out a wealth of information about Colorado in this wonderfully readable pocket guide an essential text for those who'd like to dig a little deeper into what it means to be a Coloradan and what our state is all about. Alex Miller, managing editor, *Summit Daily News*
