MARY BURNHAM, BILL BURNHAM : The Complete Florida Beach Guide (Wild Florida) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Florida Beach Guide (Wild Florida):

0 of 0 people found the following review helpful. Five Stars By T H Best guide to Florida beaches. Good directions and description of facilities at each. 1 of 1 people found the following review helpful. Great Beach Information By Janneke Bogyo This is a wonderful book if you want to take beaches seriously in Florida and are interested in trying different

places. The book is divided into sections of Florida which makes browsing a particular area easier. It gives great information about each beach area, including adjacent areas for launching boats etc. It gives directions to get there, places to park, entry cost, length of beach and the writeup gives the kind of information you need to determine if it's a beach you'll like-- information such as what the facilities are like ("kind of rough") and whether pets are allowed. It also gives a web site if you need more information as well as a phone number. It is a REALLY complete guide of Florida's beaches. 0 of 0 people found the following review helpful. RECOMMENDED! By Moose Outstanding! Very thorough and complete. RECOMMENDED!

Florida has nearly 400 beaches--more than one for every day of the year. The Complete Florida Beach Guide is the ultimate companion for anyone planning a two-week vacation or an afternoon getaway.

"Provides information that cannot be obtained elsewhere in one source. This is info that beach guests would like to have." - Stephen P. Leatherman, author of America's Best Beaches "Florida beachgoers will find this book helpful in discovering their ideal beach. The detailed information here will give tourists and residents alike the chance to see just how many wonderful beaches Florida has." - Holly Ambrose, author of 30 Eco-Trips in Florida "Mary and Bill Burnham prove that Florida's beaches aren't just about soaking up rays. Revealing secret sweet spots throughout the Sunshine State, they've created the most detailed guide for beachgoers to ever hit the shelves. I'll keep it in my car for reference!" - Sandra Friend, author of Hiker's Guide to the Sunshine State "About the Author" Travel journalists Mary and Bill Burnham are the authors of four books including Florida Keys Paddling Atlas.
