**Carol Turkington : The Complete Idiot's Guide to Cultural Etiquette** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Cultural Etiquette:

You're no idiot, of course. You know you're supposed to bow when greeting someone in China and noisily slurp your noodles in Japan. But when it comes to really knowing what to do in foreign countries, you feel as confident as a bowl of wet noodles! Don't burn your passport yet! The Complete Idiot's Guide to Cultural Etiquette is a fun, fascinating, 'round-the-world' guide to how different cultures eat, meet, and greet.
