BEFORE, WE USED THIS BOOK ON OUR LAST DISNEY TRIP AND IT GAVE US WONDERFUL IDEAS AND TIPS. WE WERE ABLE TO PAY LESS THAN USUAL BECAUSE WE USE THE GUIDE TO HELP US IN DECIDING WHEN IT IS THE BEST TIME TO GO. LOVE HOW IT CRITICS THE RIDES AND TELLS US IF WOULD BE TOO SCARY FOR OUR 3 YEAR OLD TWINS. RECOMMEND THIS BOOK TO ANYBODY WHO IS GOING TO DISNEY FOR THE FIRST TIME

By ANC
This was the perfect book for our first trip to Disney. The resort and dining reviews were extremely helpful, but the detailed theme park descriptions and rating system (tot through mature adult) helped us plan our day very efficiently. I also loved the tear out cards in the back of the book that helped us make sure we were hitting every must see in each park. I highly recommend this book for any first time visitor to Disney, it helped us make the most of our visit to the parks, stay at a resort that met our needs and helped us to pick excellent dining options.

By SK Christian
I loved how concise and user-friendly this book is. I also bought the "Unofficial Guide" which is a thick reference, but I often found myself grabbing this book for a quick reference. It has some really valuable ways to organize information that makes it easy to access. It introduces you to the large amount of information needed in a very simple format. You can quickly thumb through every ride or restaurant at the Magic Kingdom in an instant. When it comes to planning your days, this saves a lot of time. The helpful tips are a nice touch, too. This book helped me get the big picture. Then, I continued my research deeper. The more in-depth resources were too overwhelming at first.

"The Complete Idiot's Guide travelbooks will set you up with preplanned and proven tours of these magical destinations. Experience all of the sights and sounds with suggested itineraries, comprehensive lists of ticket, dining, and hotel options, and a gorgeous four-color insert that will whet your appetite for a dream vacation you'll cherish forever."
