Julie Neal, Mike Neal : The Complete Walt Disney World 2017 (Complete Walt Disney World: The Definitive Disney Handbook) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Walt Disney World 2017 (Complete Walt Disney World: The Definitive Disney Handbook):

4 of 4 people found the following review helpful. Index is awful!By LeahSIt's difficult to look up something specific when the index is completely incorrect. I think the information is fine, but it takes so long to find it, it's not worth the hassle!0 of 0 people found the following review helpful. Just what we needed.By WhirlwindmomVery helpful in planning trip to Disney this winter.Hard to find book sometimes that is mostly focused on the parks and not just for little kids or first timers. Have been there many times but like this book as it doesn't focus too much on where to stay (we have timeshare) or character experiences (our kids are older). We are most interested in the parks and attractions. Great tips and info on the latest and greatest at the parks in this book. Pictures also good. Nice size to take with us to park. Not too big.0 of 0 people found the following review helpful. Overflowing with InformationBy TimI've been to Walt Disney World a "few" times in my life. Each time it's a little new because my trips are so far in between. This is the first time I've purchased a guide book for WDW. I've always done research beforehand, but never using a guidebook.I chose this particular guide for the amount of pictures it contained. This book contains a ton of information including ride history, facts, and expected wait times through the day. For each ride/location it goes into detail of hidden gems and hidden Mickeys. Sometimes there is so much information, I tend to drown some of it out. I can't say that's a downside to the book; it just means that it appears the author has done extensive research, so it should appeal to an individual who is wanting basic information and can skip over some of the details to someone who wants to know the ins and outs of the rides/locations. I'll still do my own set of research and planning based on Disney's scheduled events that are ever changing.There are a few areas in the book with information labeled as updates, so if you've purchased the book in the last two years, you may not benefit much from purchasing a new edition. I'm sure next year will be a different story with the additions to the parks. I can say that I am pleased that I chose this as my first guidebook for WDW.

SPECIAL TENTH ANNIVERSARY EDITION

Highly recommended. -- New York Daily NewsWill leave fans of Mickey smiling from ear to ear.-- Chicago TribuneThorough, with inside tips.-- Boston GlobeA fantastic planning tool. Unusual details that matter to families.-- Orlando SentinelGoing to Disney? Get this book. Far and away the best guide. Refreshing for its honest opinions.-- St. Louis Post Dispatch Seriously thorough.-- Family Circle It's so well done. If you're going to Disney and don't have this book you're making a mistake.-- Rudi Maxa, Rudy Maxa's World, National Public Radio Highly recommended. Comprehensive. Stunning photos.-- Kirkus s There are dozens of guides to Disney World, but I like this one.The author is not affiliated with Disney, but received much inside access by the company to provide very detailed descriptions of each ride, show and attraction. Among the gems nestled between nearly 450 color photos are fun facts and little things to look for. --Florida Times Union,Jacksonville The internet is an amazing thing. There are dozens of websites and blogs out there offering information pertaining to a vacation to Disney. And yet, none have managed to do it as well as "The Complete Walt Disney World"--John Frost, The Disney Blog Imagine a veteran Cast Memberwith the insider secrets of a local, the helpfulness of a top travel agent and the organizing skills of management guru all in the same person. That's this author, and that's this book. It's a planning guide and handbook that I will recommend to my own family and friends. --Eve Vanderpool, Monorail Media A must read for any Disney World fan. Worth owning even if you think you know it all about Disney World. Many interesting tips and bits of information. Covers everything you can imagine and is literally smothered in pictures. The best of the best hands down for anyone planning a Walt Disney World vacation. --exploremagic.com
