Michael Senior : The Crossing of the Conwy and Its Role in the Story of North Wales (The Michael Senior series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Crossing of the Conwy and Its Role in the Story of North Wales (The Michael Senior series):

The immersed-tube tunnel under the Conwy river is the first in Britain and forms the last link of Euroroute 22. It also forms a link with several engineering feats of the past.
