**Fred Kogos : The Dictionary Of Popular Yiddish Words, Phrases And Proverbs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dictionary Of Popular Yiddish Words, Phrases And Proverbs:

21 of 21 people found the following review helpful. A very helpful resource By scherf.com Having grown up in the southern part of Austria in an environment in which Yiddish words were frequently integrated into our everyday German, through this dictionary I was finally able to learn and figure out what all these words actually meant. There's

also a small pronunciation guide included, but it can help tremendously if you know at least some German to better understand Yiddish. For my part, I didn't have a problem at all with pronunciation of the Yiddish words. You'll also find 1001 Yiddish proverbs with English translations in this dictionary, and it's fun to go through these mostly one liners. I find this dictionary extensive enough to research and learn at least some basic Yiddish as it also features short sentences. It's a lot of fun to read through it, but it's also very interesting, and everybody interested in languages as well as every fiction and nonfiction writer should have this dictionary, ... it's the best resource on this subject that I've found so far.0 of 0 people found the following review helpful. Fred Kogos's Dictionary of Popular Yiddish words and phrasesBy Naomi E. LiebermanThis is a great book if you want to learn Yiddish. There are a lot of idioms and vocabulary, just I wanted! I stringly recommend this book and i'm so glad I bought it.0 of 0 people found the following review helpful. Five StarsBy B. D. SchiersGreat, thanks!

This fascinating, useful, and funny collection of proverbs, curses, maxims, and ribald expressions will teach readers all they ever wanted to know about this remarkable language.
