wait lines of certain rides. I wasn't able to find every item that the book talked about without looking the answer up (in the book), but it was still fun and actually provided a little bit of entertainment while waiting for some of the attractions. 2 of 2 people found the following review helpful. great book with lots of hunting between the pages

This book is great! I was pleasantly surprised to see that it was smaller than I expected so it is very easy to fit in a standard jean pocket eliminating the need to wear cargo pants every day. It has things of all levels of difficulty in it for our family of varying ages. Great item.

Even if you are not a Disney Freak like I am, you will find this fascinating. So many details that you never knew. While we were in lines at the Parks doing the Scavenger Hunts; people next to us were joining in and asking about the book. Really enjoyed it - will take it with us when we return. It adds to the magic of Disney.

The game you play while waiting in line! The Disney World Queue Line Scavenger Hunt will help you pass the time while waiting in line at the Walt Disney World Resort. It's a great way to turn waiting in queue lines into an adventure and add fun to your visit! Almost all of the items in this scavenger hunt can be found from the queue lines at attractions in the Magic Kingdom, Epcot, Hollywood Studios, and Animal Kingdom. Some items are easy to find (perfect for younger participants), while others may pose more of a challenge. Each scavenger item includes a scoring grid for up to six individuals or teams. An alphabetized list of attractions helps you quickly locate clues when waiting in long queues. Find as many of the items on your scavenger hunt as you can. Tally your score by marking your team bubble below each item found. At the end of your Disney vacation, add up each team's total points using the worksheet at the end of the book. Who will be crowned The Disney World Queue Line Scavenger Hunt grand champion? The Disney World Queue Line Scavenger Hunt features: Item searches in over 70 attraction queues, waiting areas, and walk-throughs in the Magic Kingdom, Epcot, Hollywood Studios, and Animal Kingdom. Easy and more difficult to find items at each attraction to encourage participation at all age and ability levels. Individual or team play. Compact 4x6 size to easily fit into a purse or back pocket.
