THE ESSENTIAL GUIDE TO LIVING IN MRIDA 2016: TONS OF USEFUL INFORMATION. This guide remains indispensable for anyone thinking of moving to or visiting Mrida, the marvelous capital city of Mexico's Yucatán peninsula, often profiled as a "tropical paradise" by the House Hunters International cable television show. The most comprehensive book ever compiled about Mrida, this well-organized guide will help answer most any question - from how to buy or rent a house to where you can find a good Italian restaurant. The 2016 edition has been updated and expanded to include up-to-the-minute information on the AirBNB options now available in town, how SOCIAL MEDIA have transformed the expatriate community, and comprehensive information on the DOG LOVERS who are in town - and are pampering mankind's best friend! While helping the reader decide how best to go about making the move to the city rated by International Living Magazine as the best area to retire to in the whole of North America, this trove of information and advice will also assist the newly-relocated as well as those with established residence. Topics include information about Mrida's neighborhoods; amenities (churches, schools, expat communities, helpful websites, etc.); Medical Tourism; a perfect week as a visitor; Spanish language classes; museums and galleries; making the move to Mrida; driving in Mexico; cost of living; hiring household help; banking; an assessment of the real estate market; architects and designers; furnishings; the local artistic community; social customs and holidays; finding a lawyer, hospital or doctor; insurance matters; gay and lesbian communities; taxes; voting; embassies and consulates; as well as consumer advice and warnings. With more than one million Americans and Canadians now living in Mexico, Mrida is the center of increasing attention. Often described as a "tropical paradise," a "colonial gem," and a "bastion of tranquility," Mrida is undoubtedly Mexico's best kept secret. But is Mrida a match for you? Are you ready to become an expatriate? Are you prepared to be a "minority" - a native Englishspeaker in a Spanishspeaking country? Are you ready to make a second or retirement home in an exotic and exciting foreign city for that is a ninety-minute flight from the U.S.? Are you thinking about embarking on an adventure of a lifetime? This book will help answer these questions!
