Donald P Ryan : The Everything Family Guide To Hawaii Book: Lodging, Restaurants, Beaches, and Must-See Attractions for All Eight Islands before purchasing it in order to gage whether or not it would be worth my time, and all praised The Everything Family Guide To Hawaii Book: Lodging, Restaurants, Beaches, and Must-See

## Attractions for All Eight Islands:

1 of 3 people found the following review helpful. Concise, informative and nicely written. By Enrique I've got several Hawaii guide books and this one goes straight to the point. I want to know where to stay, eat, play golf and hang-out at the beach, not have my hand held, and this book is a useful directory. Some of those other books are full of minute details and maybe you could carry one along as a supplement if you need some sort of detailed description of a cute hotel lobby or a glowing restaurant description (but just wait until they change the chef!) Overall, I found the Everything Hawaii Guide exceptionally useful and I very much appreciated and enjoyed the chapters dealing with Hawaiian culture and history, plants and animals, and the little histories of each island. The chapter on the "forbidden islands" was also a treat as were special things here and there such as hiking and ocean tips. I'm ready to go again!

6 of 7 people found the following review helpful. Don't waste your money. By Travel Momma Our family is planning a trip to the Islands so I decided it would be nice to have a guide written specifically for families. Well don't waste your money on this one. I think this is the worst guide I've ever owned. I expected details, descriptions, recommendations. Mostly what I got was a list of hotels or activities containing addresses and websites. If your looking for a family friendly guide, try Frommer's Hawaii with kids. Now thats a guide.

3 of 3 people found the following review helpful. As much info as a phone book By Customer This book contains little more information than a phone book. I can't imaging how anyone would find it useful. I bought this and Frommer's Hawaii with kids and Open Road's Hawaii with kids both had a great deal more info.

The Hawaiian islands have long been known as a premier travel destination. This island paradise is also gaining recognition for its family-friendly sites, high-quality accommodations, and exciting activities. The Everything Family Guide to Hawaii provides readers with an easy-to-use guide to all the best hotels, shops, restaurants, and attractions in the Aloha State. From sun-kissed beaches to lush rainforests, this book features tips for finding the cheapest fares, traveling between islands, avoiding the tourist traps, and enjoying the unique culture and heritage of the Hawaiian people. Contains loads of fun for the entire family including: Hula classes Nature walks Pirate cruises Scavenger hunts Surf safaris Volcano adventures Complete with detailed maps and parent-friendly advice, The Everything Family Guide to Hawaii is the all-in-one resource for making the most of a trip to the islands.

About the Author Donald P. Ryan, Ph.D., (Tacoma, WA) grew up in a family involved in the travel industry and fell in love with Hawaii during his first visit there at age nine. Since then, he has returned numerous times to enjoy and explore the beauty of the islands. Dr. Ryan is an archaeologist and Faculty Fellow in the Division of Humanities at Pacific Lutheran University in Washington
