Liisa R Vexler : The Family Freedom Project: A step-by-step guide to living abroad with kids. From dream to plan to reality. before purchasing it in order to gage whether or not it would be worth my time, and all praised The Family Freedom Project: A step-by-step guide to living abroad with kids. From dream to plan to reality.:

An ordinary 9-to-5 life was never in the cards for Liisa and her husband Derek. With the proliferation of the internet, their vision of a flexible life became a reality. Whether your dream is travelling with your kids more regularly, living abroad for a few months, or moving abroad permanently, or just spending more time with your kids and working less, *The Family Freedom Project: A Step-by-Step Guide to Living Abroad with Kids. From Dream to Plan to Reality* is your manual. This step-by-step guide to living abroad with kids walks you through: Why Liisa wanted a flexible lifestyle for her family How to earn an income abroad Overcoming common obstacles Building a feasible plan that will get you to your goal Choosing a suitable destination and deciding on housing, education, healthcare, and more This practical guide includes: Tips from Liisa's experience as well as other expat family stories Templates and exercises to facilitate the planning Personal anecdotes that bring the tools to life Liisa wants to share her story, her methods, her lifestyle and her "why" with other families. From Ottawa, Canada, she now lives at the beach in Tamarindo, Costa Rica with her husband and two young sons.
