review helpful. A good family reunion planning resource. By Leona Still do not have enough time to go page by page, but my aunt loves this book and feels that it is full of ideas. I bought it on her recommendation as probably will some other family members. The reunion is a worldwide phenomenon celebrating life, treasured memories, enduring relationships, shared experiences, and the unique bonds that have held groups of people together. For families, the reunion is a living tapestry of decades past and futures beckoning, an opportunity to revisit intimate history and the foundations upon which many lives have been built. Planning and hosting such an important event require superior organizing skills, dedicated attention to detail, and the ability to reinforce and reaffirm the ties that have shaped your family. The Family Reunion Planner is a comprehensive step-by-step guide that explores all the facets of creating and hosting a successful family reunion, including:

- Selecting the type of reunion, from simple picnics to more elaborate weekend gatherings
- Organizing attendance and compiling guest lists
- Locating relatives
- Planning budgets
- Creating menus and buying gifts
- Selecting themes and activities
- Communicating with the family throughout the year via postcards, flyers, and newsletters
- Compiling a recorded history of the event using the written word, photographs, and videos

And much more. Indispensable and one-of-a-kind, The Family Reunion Planner is the perfect resource for anyone from the seasoned party planner to the first-time host considering organizing a family reunion.
