**Victoria Mas : The Farm to Table French Phrasebook: Master the Culture, Language and Savoir Faire of French Cuisine** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Farm to Table French Phrasebook: Master the Culture, Language and Savoir Faire of French Cuisine:

2 of 2 people found the following review helpful. I so enjoyed this delightful little book about French cuisine and French ...By patl so enjoyed this delightful little book about French cuisine and French food culture. I know I will

refer to it again and again. Thanks! 1 of 1 people found the following review helpful. Delightful! By Spice lover This is the most useful French phrasebook on the subject of food in so many ways. Am very pleased. Has opened doors to measurement conversion sites as well. Highly recommended. 3 of 3 people found the following review helpful. Excellent! By Michelle I understand that there are plenty of reasons to go to France, but surely, for me, the food is among the foremost. Yet, the first difficulty for most Americans visiting France is, as Steve Martin once said, Its like those French have a different word for everything. Further, even if you have studied French, things change including how and what we eat and what I learned years ago in high school or college may not be what Im looking for today. For me, bifteck frites (steak with French fries) was about the extent of it. Thats where this book comes in. This delightful guide explains (in engaging English) many of the foods that I think that I would see and seek out, and then includes a helpful range of phrases, in English and French, to help buy, order, and enjoy them. For instance, how do you check to see if these eggs are from free-range chickens? Vos ufs proviennent-ils de poules leves en plein air? Thats right, the French term for free-range is plein air, just like the Impressionists painting outdoors.

FRENCH CULINARY PHRASES, FOODIE TERMS AND CULTURAL TIPS COME TOGETHER IN THE ULTIMATE FOOD-LOVERS GUIDE PAYS DES DLICES Whether youre spending a semester in Paris, vacationing in the Riviera, dining at a local bistro or mastering the French culinary art in your own kitchen, The Farm to Table French Phrasebook opens a bountiful world of food that you wont find in any textbook or classroom: Navigate produce markets, charcuteries and patisseries Prepare meals the French way with delicious, authentic recipes Speak the lingo of Pariss top restaurants and bistros Pair regional wines with delightful cheeses Master the proper table etiquette for dining at a friends house
