(my favorite!) Bo Biffa McKenna 2 of 2 people found the following review helpful. Beautiful Cats beautiful old France By Paola V. Fandez Garca I love the book it was just what I want. Beautiful pictures of real cats (not on pose) in his daily rutines around very old houses and gardens. Makes my imagination travell to every house or window that is showed. Cats names contribute to make more vivid each street, stone or tree. I specially enjoy the inside story placed in the book boundary, clearly poss in boots was an expected surprised. Paola
