David Helvarg : The Golden Shore: California's Love Affair with the Sea before purchasing it in order to gage whether or not it would be worth my time, and all praised The Golden Shore: California's Love Affair with the Sea:

From the first human settlements to the latest marine explorations, The Golden Shore tells the tale of the history, culture, and changing nature of Californias coasts and ocean. David Helvarg takes the reader on both a geographic and literary journey along the states 1,100-mile Pacific coastline, from the Oregon border to the San DiegoTijuana

international border fence and out into its whale-, seal-, and shark-rich offshore seamounts, rock isles, and kelp forests. Part history, part travelogue, part love letter, *The Golden Shore* captures the spirit of the California coast and its mythic place in American culture.
