From Which? Books : The Good Skiing and Snowboarding Guide 2001 ("Which?" Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Good Skiing and Snowboarding Guide

2001 ("Which?" Guides):

3 of 3 people found the following review helpful. Excellent resource for planning a ski/snowboard vacation
By A Customer
This book is an excellent guide to the world's best ski resorts. While it is true that Europe is more heavily covered in this book; the largest of the North American resorts are reviewed as well (Vail, Breckenridge, Whistler, Killington, etc.). There are even some details provided on other locations (South America, New Zealand, Japan), although not as in depth. One of the nice features of the book is that it rates each resort for beginners, intermediates, experts, off-piste, and snowboarders. The book provides an honest assessment of the pros and cons of each resort (nightlife, accessibility, snow quality, etc.). Highly recommended for planning a long ski vacation. Trail maps are provided although not very detailed due to space limitations.
1 of 1 people found the following review helpful. Use the Web
By A Customer
A nice collection of information but for what I was looking for the web had as much information on what was where and how much it cost. This book is not worth as much as others because it lacks the reader input and real experience of going and being there. Most info can be picked up from travel guides and brochures.
0 of 0 people found the following review helpful. best way to select a resort
By G. C. Earleby
far the best way to review and select resorts for your purpose. very easy to use, accurate and INDEPENDANT. money well spent to ensure you go to the best place for you.

...detailed information on holiday resorts in a clear and accessible style. -- Des Moines Register
Tackles the nuts and bolts ...often with brutal honesty. -- Ski Survey
About the Author
Peter Hardy and Felice Eyston are professional ski journalists and the authors of fourteen editions of The Good Skiing Guide. They were joint winners of the 1992 Ski U.S.A. Award for Excellence in Ski Journalism.
