Book by Hardy, Peter, Eyston, Felice

.com The title pretty well says it all. Covering 500 ski resorts and five continents, this guide offers all the essential statistics like slope heights, lift types, accommodations, directions, quality and challenge of skiing, and atmosphere. If you love to ski, why wade past all the chapters on museums, ruins and city hotels to find the three pages devoted to the slopes, when you can get a book devoted solely to your chosen interest? For beginner to advanced, the honest evaluations are accurate and very useful.
