before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Great Pacific Coast: Twelve Thousand Miles in the Golden West, Being an Account of Life and Travel in the Western States of North and South ... Panama, Peru and Chile; and a Study of Their*:

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
