From Oxford University Press : The Himalayan Journal: Volume 69 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Himalayan Journal: Volume 69:

This annual journal contains articles related to Himalayan Geography, Explorations, Mountaineering, Trekking and

Personalities involved along with Book Reviews and Obituaries of Members.

About the Author Rajesh Gadgil, Honorary Editor. Himalayan Club, founded in 1928, is one of the earliest mountaineering clubs to have been established in the Subcontinent.
