**Lonely Planet : The Honeymoon Handbook (Lonely Planet)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Honeymoon Handbook (Lonely Planet):

1 of 1 people found the following review helpful. Good Basic OverviewBy Arun K. DasThis book has a lot of great ideas if you have NO idea what type of honeymoon or where you want to go. So you get a decent overview and then guidance.

Lonely Planet: The world's leading travel guide publisher Lonely Planet's first dedicated honeymoon guide is packed with advice for travel-lovers who want their honeymoon their way: no all-inclusive in sight here. Set your heart racing with real adventures, tailored to what you two love the most - whether that's wildlife-spotting on the African savannah, cruising around Havana in one of Cuba's legendary vintage American cars or diving with turtles in Bali. Planning tips will help you cover off the basics and bypass the stress, with advice on: When to go, how long to go for, and how to factor in seasons and climates How to build a multi-stop honeymoon How to pick hotels Working out a realistic

budget, and sticking to it How to compromise with your other half The benefit of mini-moons, and how to plan the best one possible Getting married abroad, including logistics and legalities A host of top-rated destinations, listed by type of trip The best destinations for same sex couples The inspiration section covers 25+ world-class honeymoon trips and gives them the classic Lonely Planet treatment. Whether you're after ideas for a classic trip or for more offbeat honeymoon suggestions, we've got you covered. See ancient temples in Myanmar, eat exquisite Michelin-starred meals in Tokyo, or surf the rolling Pacific waves at Sydney's Bondi Beach. For every destination covered, discover: Essential, not-to-be-missed honeymoon experiences Practical itineraries to give you inspiration How LGBT-friendly you will find it A budget indicator Dream digs: where to stay for an unforgettable experience Practicalities for getting your trip booked No matter what gets your travel juices flowing, this book promises to set you on track for the trip of a lifetime and to set your life together off to a magical start. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, 2015 and 2016 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

"An essential toolkit for all honeymooners." (Honeyfund)"Strikes a perfect balance of romance, adventure, and unforgettable experiences." (HoneyTrek)"These budget honeymoon ideas will want you to get married all over again" (The Huffington Post)"A honeymoon should be a trip to remember, but choosing a destination can be tough. Fortunately, Lonely Planet just released...a comprehensive guide on how to plan your honeymoon." (Business Insider)"Getting married is the best excuse to take the romantic getaway you and your partner have always dreamed about. Lonely Planet's latest book...is an essential honeymoon planning tool. It has everything couples need to plan the perfect trip based on what they love, whether it's backpacking in Borneo, touring Tuscany or cruising around Cuba." (Bridal Guide)"The guide includes picks for every type of couple and budget." (Coveteur)"The editors at travel guide and magazine publisher Lonely Planet certainly know their way around the world, and in their new book, they cover everything you need to know before planning a wedding abroad." (ELLE Decor)"Travel-guide publisher Lonely Planet has introduced millions of people to the world since its inception in the mid-1970s. Its new 'essential toolkit for honeymooners' is The Honeymoon Handbook, which includes solid practical advice on planning and budgeting." (Sacramento Bee)"Luckily, for those getting married now (or hey, just wanting to plan a rocking vacation), Lonely Planet is introducing it's new book...an essential planning tool for making those honeymoon dreams come true...why wasn't this out 5 years ago?!" (The Accidental Mrs.)"The world can be a dangerous place, especially for LGBT people. Queer couples face intolerance and hostility every day and traveling abroad can be torture. Thankfully, Lonely Planet, the world's leading guidebook publisher, just released a travel guide for newlyweds...The handbook highlights 25 of the best destinations for honeymooners and includes an LGBT-friendly indicator for queer couples. To help you find the perfect spot for your vacation, Lonely Planet narrowed the list down to the top five destinations for LGBT couples." (Pride.com)"Will your romantic getaway be as fabulous as your wedding?...Lonely Planet's first guide exclusively for honeymoons, provides everything you need to plan the perfect, personalized trip to start your life together in wedded bliss." (Boston Globe)"The Honeymoon Handbook by Lonely Planet is a life-saver" (The Knot)"Lonely Planet's first guide exclusively for honeymoons, provides everything you need to plan the perfect, personalized trip to start your life together in wedded bliss." (Boston Globe)"Thanks to Lonely Planet's new travel guide exclusively for honeymoons...[couples] now have an essential resource to help them get started in the planning process for this long-dreamed of life event. The book gives couples the tools they need to narrow down their choice of destination and type of honeymoon, so that, if they have the time and desire, they can research, plan and book the trip themselves...That's one reason I really love this book ? the fact that it's a practical tool for couples who want to do it on their own as well as for those seeking assistance. I also love the book's breezy style and colorful details." (Journeys Near and Far)"Lonely Planet's first dedicated book to honeymoons is full of inspiration to help you plan the perfect trip after your big day. Before you decide on a destination, The Honeymoon Handbook will teach the practicalities such as working out a realistic budget, how to plan for a multi-destination honeymoon, how to compromise with your better half, and a whole lot more. As for where to go, you'll find inspiration including what's budget friendly, off the beaten path, LGBT friendly." (Skyscanner)"It's packed full of useful tips and advice." (Wedding Ideas Magazine)
