I have purchased most of them and pick them up again and again. Not only to help plan the next vacation, but sometimes just for fun at home! 0 of 0 people found the following review helpful. Great Photo Book By Sir Oliver great book with great photos to get some ideas of a perfect vacation getaway 1 of 1 people found the following review helpful. Excellent table book By AI This is a good book to have if you are planing to take a vacation to South America. We bought it because of the great photos of Explora hotels in Chile where we enjoyed a great vacation and were not able to take as good photos of the hotels. Most other Taschen books are also worth having.

Continuing its quest to seek out the world's most unique and inspiring hotels, TASCHEN takes on South America.

This diverse selection of hotels, posadas, and haciendas highlights the most exceptional destinations on the continent. Among the breathtaking paradise spots are a hotel on a Patagonian natural reserve, a hacienda perched high in the Andes mountains, an adobe hotel in the Chilean desert, a converted monastery in Peru, a hotel built entirely of salt in Bolivia's Uyuni salt desert, and an "ecolodge" on a natural reserve in the Amazon rain forest. For the love of nature, tango dancing, and caipirinhas, nothing beats these exotic escapes from the fast lane. Countries included: Argentina, Bolivia, Brazil, Chile, Columbia, Equador, Peru, Uruguay
