Gatehouse Publishing : The HUNT New Orleans (The Hunt Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The HUNT New Orleans (The Hunt Guides):

1 of 1 people found the following review helpful. RecommendBy Pinar PolatThis is a great little book for those who want to explore NOLA beyond the French Quarter. The author's passion for and knowledge of the mystifying city of New Orleans truly comes through. Thanks to this book, I discovered vibrant neighborhoods and areas of NOLA that I may have otherwise overlooked. The author covers most of the well known areas, activities, and restaurants, but the true value of this book is its focus on the lesser known gems and jewels that you may not hear or read of. Having this book was like travelling NOLA with a local friend who is in the know. It is short and not very exhaustive, but for those new to NOLA and wanting to get an overall sense of the city's layout, history, and culture while exploring some lesser advertised areas this is a great travel companion.0 of 0 people found the following review helpful. One StarBy

TLCaldwellGreat concept, but falls short on recommendations. 1 of 1 people found the following review helpful.
Happy HuntingBy DavidThis book should be a well thumbed guide for any traveler in New Orleans. A perfect mix of reviews on the most well known spots, and those you would never find without this guide.

Instead of indiscriminately featuring everything and the kitchen sink, The HUNT team has donned our curatorial colored glasses and carefully selected 100 or so unique, authentic local New Orleans businesses that range from eye-popping and brand spankin new to deeply patinaed and WAY off the beaten path, funky and unexpected to chic and shiny. Over the last decade, our guides have become the go-to source for a worldwide community of locals and travelers who seek out genuine, intriguing independent businesses.
