Carried it from Cachora to Choquequirao to Yanama to Machu picchu for 12 day trek. Used it all over Cusco and Sacred Valley tours. Could use a little update with newer trails and places. Includes a little of everything. Very informative. My copy is now well worn. 0 of 0 people found the following review helpful. Get this book- take it with you and use it. By pmike In depth, informative very useful for our trip to Peru. 0 of 0 people found the following review helpful. Five Stars. By John A Shaw This has all the info I need for my trip ..Thanks

This title includes: historical background on the Incas; plans of all the main archaeological sites and comprehensive guides to Lima, Cusco and Machu Picchu; routes from Cusco to Machu Picchu and hikes in the Urubamba Valley, on walking maps with walking times; points of interest; and details of where to stay and where to eat.

"So well written it is difficult to put this book down...If you are spending only one day in Cusco and one day in Machu Picchu the book's details will enrich your trip. If you are hiking the Inca Trail ...this book is essential."--International Travel News (USA) "An excellent guide...offers a wealth of wise advice."--Toronto Star (Canada) "...really excellent. You cover everything from Inca history to flora and fauna...."--John Hemming
