Terri Morrison, Wayne A. Conaway : The International Traveller's Guide to Doing Business in Latin America (International Business Traveller's Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The International Traveller's Guide to Doing Business in Latin America (International Business Traveller's Series):

0 of 0 people found the following review helpful. Four StarsBy donavon forquera guide to the small things you know about each latin country.it gives no business advice or direction

The International Traveler's Guide to Doing Business in Latin America has the information you need to succeed. Arranged in an easy-to-use who/what/when/where/why format, it provides vital data on each country in Latin America. Concise enough to be read en route on an airplane trip, it offers the background information every visitor should know before arriving. Each chapter includes notes on the economy, history, legal environment, customs and business styles of a single Latin American country. It also provides cultural tips (including literature and movies) so that you can discuss each country's cultural heritage. And if you think you know this information already, try the Cultural IQ Quiz at the beginning of each chapter!
