Diarmuid O Donnchadha : The Irish Phrase-Book/An Raleabhar Gaeilge before purchasing it in order to gage whether or not it would be worth my time, and all praised The Irish Phrase-Book/An Raleabhar Gaeilge:

3 of 3 people found the following review helpful. Great BookBy Linda StraubeI am very happy with this book. I am

studying the Irish Language and I find it helpful to bring this book along with me to appointments or other places I need to wait and learn more phrases. Highly recommended!

This little book is designed to help those who have some Irish but who are not confident. It will enable them to prepare for many predictable situations where they could expect to use Irish, particularly on visits to the Gaeltacht.
